Interpersonal Skill : Good Communication Skills, Quick Learner, Team Player & highly self Motivated.

PROJECTS

• 21-Language [Live link](#) [GitHub- Client code](#) / [Server code](#)

- Designed and developed using **Tailwind, daisyui, React js, Firebase & Express js, MongoDB, JWT, Payments System(Stripe)**
- 21-Language is a Foreign Language Learning Centre MERN Stack Web Application
- **Project Details:** On this website have 3 Roles. First, initially, a user gets the student role. Students can select after pay for their classes after seeing their enrollment classes and payment history. Second role instructor, instructors can add classes and see all added classes he can update & modify classes. The third role is Admin. Admin can see all users and he can change all user roles like make admin make instructors. Also, show managed classes, he can approve classes send feedback, and denied classes.

• Toy Cars [Live link](#) [GitHub- Client code](#) / [Server code](#)

- Designed and developed using Tailwind, daisyui, React js, Firebase & Express js, MongoDB.
- Toy Car is a MERN stack single-page web application.
- **Project Details:** On this website, user can pick up their favorite toy easily by shopping by category. In this project, I have implemented sign-up and log-in for the user. Logged-in users can Add toys and see their added toy and see all toy data added by anyone & logged users can also update and delete their added toy data easily.

• Chef Recipe [Live link](#) [GitHub- Client code](#) / [Server code](#)

- Designed and developed Tailwind, daisyui, React js, Firebase & Express js.
- Optimized website for speed And user experience.
- **Project Details:** On this website, visitor can view many chefs and their recipes with details. To view chef details need a user login. Without a login, they can not view details.

EDUCATION

Institute of Computer Science & Technology

Diploma in Computer Engineering

Duration: 4 Year

CGPA: 3.50

CERTIFICATE

- Diploma In Engineering Examination in Computer Technology.
- National Skill Standard Basic Course Examination in Graphics Design & Multimedia Programming.

HOBBIES&INTEREST

- I'm very interested in learning new technologies and like teamwork.
- My dream is that one day I will work in a tech giant company.

LANGUAGE PROFICIENCY

- **Bengali** (Speaking, Reading & Writing)- Native.
- **English** (Speaking, Reading & Writing)- Intermediate.
- **Hindi** (Speaking)- Basic.
